

Our Mission

To provide compassionate care by addressing the individual needs of each resident and patient.

St Mary
HEALTHCARE
AND REHABILITATION CENTER

**St. Mary Healthcare and
Rehabilitation Center, LLC**

800 E Rusholme St
Davenport, IA 52803
Tel: 563.322.1668
Fax: 563.326.1811

We are guided

by the principle that quality healthcare is best achieved when we work together. If you are seeking short-term and/or rehabilitative services, we will focus on achieving the most successful outcome so that you can return home as quickly and safely as possible.

If you are considering

long-term care, we strive to ensure you enjoy the highest quality of life by participating in a variety of daily activities and social events.

Our professional staff

understands your needs. We utilize a team approach to care and rehabilitation. Physicians, registered and licensed nurses, licensed therapists, social workers, and case managers all work together to provide the care and services you deserve.

Rehabilitation

Payment Options

We accept Medicare, Medicaid, and a variety of insurance plans and private payment to cover the cost of your stay.

MEDICARE-PART A

After a three-night stay in an acute hospital (or within 30 days of discharge), you may be eligible based on a skilled need.

INSURANCE PLANS

We participate in a variety of insurance plans and we'll be happy to contact your health plan and bill them directly as a courtesy. Each health plan offers different benefits. Please review your health plan handbook for details.

PRIVATE PAY

Many residents requiring long-term services are responsible for the majority of costs associated with a long-term stay. Payment is made directly to the Center each month.

MEDICAID

Medicaid is funded by the State and Federal governments. Depending on your care needs, Medicaid may cover your stay. You may have to contribute a portion of the monthly charges.

For details regarding payment, please meet with the Business Office Manager.

Diagnosis

We are able to meet the needs of many diagnoses and conditions including:

COMPLEX REHABILITATION

- Orthopedic rehabilitation
 - Hip/knee fractures and replacements
 - Amputation care
- Neurological rehabilitation
 - Cerebral vascular accident (stroke)
 - Multiple sclerosis
 - Guillain-Barre' syndrome
- Multiple trauma rehabilitation
- Pulmonary rehabilitation
- Oncology rehabilitation

COMPLEX MEDICAL

- Wound management
- Post-surgical complications
- Uncontrolled/complicated diabetes

Get back...

Our Express Recovery™ Unit offers the perfect mix of quality services, patient comfort, and proven results so patients can make a quick return to their prior lifestyle.

Our Express Recovery™ unit is a separate and distinct environment that seeks to promote recovery and wellness. Patient rooms are equipped with comfortable furnishings, modern equipment, wireless capabilities, and comforts that are geared towards enhancing the patient's experience during each step of recovery.

to Life!

A Short Term Rehabilitation Unit

Get back to Life!

Our Mission

To provide a blend of comprehensive medical and rehabilitative services that dedicates a separate environment, resources and commitment for a quick recovery.

Satisfaction

We continually strive:

- To provide high quality care
- To treat you and your family with dignity and respect
- To act in a confidential manner
- To provide safe, clean, and attractive physical surrounds

No one knows better than you how we can improve and where we excel. That's why we ask for your input about our care and services.

At any time during your stay, please let us know how we are doing and what we can do to make your time with us more comfortable. Shortly after your discharge, you will receive a survey that we ask you to complete and return in the postage-paid envelope provided.

Contact Us

We welcome the opportunity to discuss your needs and our services. To obtain more information or schedule a tour, please contact our Center listed below.
